

**“Where players are Built, NOT Bought, Earned Not Given, Hustled Not Handed, Rare Not Average, Where attitude is everything”**

### **Who We Are**

**We are an organization built on team and family values, dedicated to developing strong athletes. We believe in providing a solid foundation for our players to hone their skills. Our Ultimate goal is to help our athletes build abilities that will take them through college, creating lasting memories and opportunities that shape them into strong independent women. We pride ourselves in being a top notch organization not only on the field but off the field. We believe that every girl deserves the chance to develop their abilities and work their way up.**

**At Freedom Softball, we're not just a team, we're a community dedicated to everyone's success, from the player to parents, even siblings. We're seeking passionate athletes, coaches, teams and supportive families who want to be part of something greater, where success is a shared journey.**

### **Weekly Scheduling**

**The Girls practice 2 days a week from March to October for our spring, summer and fall programs. From November through February you may have practice one day a week along with Conditioning. Practice times are determined by each individual coach and practice slots are 2 hours long. We ask that all players arrive 15 minutes prior to be fully ready to practice at their start time.**

## **Travel Commitment**

Girls will be expected to participate in all tournaments, unless 2 weeks prior notice is given. If proper notice is not given, you are still responsible for paying the tournament entry fee, as one girl not being there can jeopardize the team not being able to participate. We do understand that families have plans and things come up, we just as you let it be known ahead of time.

Games will be played in Northern Nevada, Central CA, Oregon, Idaho, Southern CA, and Utah.

**ALL TRAVEL EXPENSES IS TAKEN CARE OF BY EACH INDIVIDUAL PLAYER.**

**Monthly dues do not cover your tournament fee's or uniforms. If dues go unpaid, your child will run the risk of not being able to participate. Dues may not be paid out of sponsorships.**

## **Tournament Fee's**

Tournament fee's change depending on what umbrella the event is taking place under. **Tournament fee's MUST BE PAID NO LATER THAN THE TUESDAY BEFORE THE EVENT.**

The total tournament fee is divided up by the number of players that will be participating in the event and then sent on the website for payments to be made. Tournaments run between \$65 and \$100 per player. Besides the 1st tournament under each umbrella the fee is slightly higher for team registration, and background checks required. Some umbrellas do have this required for both spring and fall season.
